Ordering Parts

Check with your Lowel Dealer to determine if they have stock of the needed items. If not, Lowel can ship parts from our Factory. We make every effort to ship parts within a few days. Lowel parts are available only in limited quantities for the purpose of maintaining and repairing Lowel equipment. Price and availability are subject to change without notice.

Repairs

Some Lowel Dealers can repair our equipment. If your dealer is not able to handle repairs, send or bring your Lowel equipment to our Factory along with a description of the problem. Please include your daytime phone number. We will charge on a time and materials basis and will not undertake repairs that rival new equipment costs. Requests for quotes will necessarily delay repairs.

Payment

for Parts or Repair Service can be made with Visa, MasterCard, Discover, or American Express credit cards, as well as by check or Money Order.

Lowel recommends against doing your own electrical repairs unless you are a qualified electrician.

For Lowel Limited Warranty, see Parts Book, pg 16.
